● EDELLYN ROYAL LEADER 24TH is an outstanding breeding bull. Every calf he has sired is a much better individual than its dam. Their color is good, all reds and red roans but one. We are selling him only because we cannot use him any longer as we only offered for sale one female sired by him, that was the eleven month old white Polled heifer we consigned to the State Sale that sold for \$1525.00. He will be offered in breeding condition as he is a sure breeder and we want him to continue. He has the richest breeding in America, being by Edellyn Royal Leader and out of a daughter of Calrossie Mercury. He is a full brother to Edellyn Leader 21st that was champion and top selling bull of the 1945 International Congress Show and Sale at Chicago.

● DELCONA'S AIR MASTER is a dark red bull with lots of quality; not highly fitted. His mother was a top show animal, being undefeated as a Junior and Senior calf in Ohio, Indiana, Illinois and Michigan state fairs. She has only four calves, one bull heads one of Indiana's good herds, one heifer is in the Broadfields herd, and I am retaining one. If it is pedigree and quality you want, it is here. Take particular notice to this bull's good head and clean white muzzle. (Nominated in Gold Medal)

● DELCONA'S AIR PILOT is a dark red roan with plenty of quality but not highly fitted. If it is a bull with a top pedigree and a smooth calf you want, then he will please. This calf is not good just by accident. His dam is a full sister to the highest priced bull ever sold in Indiana state sales. Just notice the four bulls in this pedigree, first at top Bapton Air Pilot, second, Brawith Boy, third, Duke of Killearn, fourth, Calrossie Control. I do not think you can find four bulls in any pedigree that have made more history than these bulls both here and abroad. Look at this calf's head, and clean white muzzle. If it is quality and not fat you desire, this is it. (Nominated in Gold Medal).

Ever since Ray Graham bought Broadfields Waverly, a son of Broadfields Air Pilot, in our 1945 fall sale, I have been eager to see his calves. I felt a lot of confidence that the calves would be good and I was not disappointed. I saw a lot of nice calves at the farm recently and I believe you will admire this blocky red bull I selected for this sale. His dam is a Jilt tracing back to a foundation cow purchased of Ed Beals several years ago.

The sire of this bull and of three other Elcona entries in this sale, has made an enviable record since he has headed the Elcona Farms herd. His breeding is well known and needs no elaboration here. The Edellyn Royal Leader-Mercury cross has achieved a success in the show and sale rings not equalled in recent Shorthorn history. Edellyn Royal Leader 22d was bought at the 1945 Edellyn sale at the top price of \$6500. His offspring have measured up to the standard of his famous ancestry.

Divide Grand Duke, maternal grandsire of Elcona Grand Leader, was bought by Broadfields Farm for \$4,000 and headed that great herd for many years. The dam, Broadfields Vanity 2d, topped the October, 1944, Indiana Shorthorn Breeder's Association sale at \$1,000. She has an extraordinary infusion of the greatest blood of the breed. Collynie Royal Leader appears three times in the fourth generation back and Naemoor Jasper once. We have used this young bull liberally and are selling him only because we are retaining a full brother.

		Gosshall Clipper 12th (176122) Roan, T. S. Coleman	

This is another son of Killearn Norseman 5th described in the footnote with Lot No. 42. The dam was imported by Dorsey Jones in November, 1942. Her two grandsires are the great Scottish show and breeding bulls, Royal Northern and Coldoch Union Jack. The latter is a grandson of Naemoor Jasper, as is also the third bull in her pedigree. She produced the 1944 Indiana State Champion bull, May King, that was sold to Wm. A. Allison's Sons, and has made a fine record in that herd.

● PROUD BARRAGE is a very rugged red bull with plenty of weight for age. His sire is one of the thickest red bulls to be found anywhere. Cecil Steinmetz is a practical feeder and frequently tops the Chicago market with commercial calves of his own raising. He never saves a calf for a bull unless he has all the indications of being able to sire thick easy-feeding calves. This bull has the earmarks of a bull that can do just that. Look him over.

His sire, Broadfields Promoter, is a son of Divide Grand Duke that has sired so many State Sale Champions. His dam is Klaymor Sunshine, probably the best producer in the Broadfields herd. On his dam's side Broadfields Signet is out of a granddaughter of imported Cruggleton Achtoi. This calf is low down, rugged-boned, deep, wide and a good-headed, well-balanced bull.
